XMAS MONEY FOR YOU

Search Your Attic for Confederate Envelopes.

This is a new and easy way to get Xmas money without trouble or work or expense.

Among the old letters of many Southern families are hundreds of very rare stamps and envelopes. Many have been found and sold for small fortunes. Single envelopes have been sold for as high as \$700.00. Many have brought upwards of \$500.00 each. It sounds "fishy," but it's true. They are valuable because they are rare. They are rare, not because there are only a few, for there are many of them, but simply because most of them are forgotten, being stored away in old trunks and closets.

Make a thorough search through your attic for these old war letters. Fortunes in rare stamps have been found in old safes which no one ever dreamed contained anything of value. Many an old trunk or chest contains letters that may bring the finder a profitable reward. Send these to Mr. Harold C. Brooks, Box 226 Marshall, Michigan, and he will immediately write you, stating whether they are of value and, if so, will offer you full value for them. He is a private collector of rare stamps and envelopes and will pay more for those he is seeking than a dealer. Besides the Confederate issues, certain United States and foreign stamps are wanted provided they are on the original envelopes and mailed between 1845 and 1870. Although the rare issues are especially desired he also buys many of the commoner kinds, and many people are in this way getting Christmas money with but very little trouble and no expense.

The Advertising Manager of this paper has known of Mr. Brooks for many years and you may place fullest confidence in his integrity. He will advise you frankly, offering what he regards the envelopes as worth to him and in case the envelopes are not satisfactory they will be returned to the sender.

As so many stamps are similar in appearance, Mr. Brooks cannot quote values from written descriptions, but must see the envelopes. Furthermore, the condition of a stamp or envelope has an important bearing on its value. Confederate money, old documents or coins he does not collect.

If envelopes are sent in a bunch they should be very carefully wrapped—if possible between cardboard to protect them from becoming wrinkled or creased. Do not cut the stamps from the envelopes, but send the complete envelope. Also take care not to tear the stamps or put pins through them. Such damage greatly reduces the value of any stamp. If you have reason to believe your envelopes contain any of great value send them by Registered Mail.

This notice will not be printed again, so make a thorough search now before the address is lost or forgotten. Tell your friends or ask permission to look over their old war letters. Many elderly people have kept hundreds of such letters. Mr. Brooks' address is as follows:

HAROLD C. BROOKS, Box 226 Marshall, Michigan.

ORCHESTRA ORGANIZED.

A meeting was called last Monday night, December 1st, by Mr. Wm. Evans, the director of the Uvalde Orchestra, for the purpose of organizing a home band and orchestra. After a short discussion and under the supervision of Mr. Roland Chancey, the following officers were elected: Mrs. Cockrell, President; Bennie Oefinger, Vice-President; Fay Russell, Secretary and Treasurer; Henry Merriman, O. B. Taylor, Roland Chancey and Ben Epstein, Board of Directors.

Shortly after the election of Officers the band was organized as follows:

Henry Merriman and J. R. Chancey, Clarinets. Fay Russell, Joe Monkhouse and Felix Richter, Cornets. Ben Epstein and Ben Bradley, Melaphones. O. G. Crow and Ben Oefinger, Trombones. R. C. Bless, Xilaphone. Emmitt Kahlman, Baritone. Irene Saathoff, Violin. Col. Walton, Otis Schuehle and Frank Cockrell, Saxophones. Mrs. Cockrell, Piano. Wm. Taylor, Banjo. O. B. Taylor and Henry Muenchink, Drums.

There are others who have planned to take part, but, as yet, have not adopted instruments.

After a short discussion of the organization, the meeting closed with the decision that the constitution would be drawn up and adopted at the next meeting which will be held at Chamber of Commerce on Monday, December 8, at 6:30 p. m. Members and prospective members please be present and bring instruments.

In case of finished musicians, especially Miss Saathoff, and those who have had previous experience, the practice requirements will not be necessary at first; but please let us hold together, learn our instruments, and Hondo will have a dandy band. We solicit your interest and welcome all additional members.

FAY RUSSELL, Secretary.

THE RAIN.

The long drouth that was beginning to cause our people some concern, was broken here Monday night, and we might say rather unexpectedly, as no one was really expecting it. The rain came from the Southwest and from what we can hear, was more copious in the Southwestern part of the county than here. It came gently and old mother Earth received a pretty generous soaking, but as far as we can learn, put but little stockwater in some sections. This rain has put new life in the people and they are facing the future with confidence. The precipitation in the town totaled 2.30 inches.

CARD OF THANKS.

I wish to thank the Hondo Volunteer Fire Company and the public generally for the prompt response to the fire alarm Friday when my gin was endangered by fire. Your willingness to help in the time of need will be gratefully remembered and appreciated.

Respectfully, MRS. J. W. HOLLOWAY.

QUIHI NOTES.

The Committee of ladies, which
had charge of the Thanksgiving
bazaar and program at the Quihi
Lutheran church last week, herewith
expresses its sincere appreciation
and thanks to one and all who donat-
ed gifts for the bazaar, who render-
ed numbers on the program and "last
but not least" to all who attended
the bazaar and rendition of the pro-
gram and thus helped to make the
enterprise a success. Special thanks
are also due O. H. Miller for furnish-
ing splendid light by the Deleo light-
ing System.

Never before, perhaps, in the history
of the Quihi Lutheran church, were
as many people assembled on the
church premises as on Thanks-
giving day. All the beautiful and use-
ful articles offered for sale at the
bazaar, as well as all the good, hot
coffee, sandwiches, cakes, etc., were
sold about as fast as they could be
handed out. Messrs. Frank Boehle
and Jacob Saathoff deserve much
credit for the service they rendered.

The program at night was un-
usually fine and every number well
rendered. Judge R. J. Noonan and
Prof. Schweer Saathoff made splendid
addresses, which were highly ap-
preciated by the great audience pres-
ent, and which landed and planted
many thoughts and ideas for serious
meditation and right living into the
hearts of their hearers.

Next Sunday night at 7 o'clock
the Quihi Luther League will render
a fine and interesting program in
Bethlehem Lutheran Church. This
program, as outlined in last week's
Anvil Herald, will be followed by a
business meeting of the League. All
are cordially invited to come and en-
joy this program.

On Christmas Eve the Quihi Luth-
eran Sunday School and congrega-
tion will celebrate Christmas. Con-
tribution for this purpose can be
made to the pastor, Sunday school
teachers or the vestrymen of the
church. All who wish to have a
number on the Christmas program
should come and announce them-
selves to the pastor or Sunday school
teachers.

WHAT GERALDINE PREWITT DID

She was but 17, from the little
town of Richardson, right here in
Texas. She determined to become a
stenotypist. Lack of money nor
hard times did not deter her, for she
knew of the pleasant work with big
pay for a stenographer. So she found a
way. She entered the Byrne School
in Dallas; studied hard, and

BROKE WORLD'S RECORD.

Miss Prewitt in 20 days study of
Byrne Shorthand, wrote 154 words
of new unfamiliar matter a minute
for 5 consecutive minutes, and trans-
cribed it accurately. She well ear-
ned front page mention with photo in
a leading San Antonio daily of No-
vember 24th, 1924. The previous
record for speed in learning and
writing was held by H. L. Kendrick
of Haynesville, La., who after 22
days study wrote 150 words a minute.
No other system of shorthand can
boast of such accomplishments.
Learn Byrne and learn the best. No
little credit is due Prof. L. S. Rather,
now of the San Antonio Commercial
College, one of Miss Prewitt's in-
structors, for her high honors.

\$100 IN GOLD FOR YOU.

This College offers a reward of
\$100 in gold to any person who can

honor. This in addition to the gen-
erous Holiday Cut Rate offer. Read

you prefer our "Pay after Gradua-
tion and Position is Secured" plan,
we will be pleased to hear from you.

From SOUTHERN MESSENGER

COLE-HAASS.

A wedding, beautiful in its simplicity, was solemnized in St. Joseph's Church on Tuesday morning, November 18, at 7:45 o'clock, when Miss Pauline Cole, daughter of Mr. and Mrs. Wm. Cole, of San Antonio, and Mr. Alfred Haass, son of Mr. and Mrs. Henry Haass, likewise of this city, were united in the holy bonds of matrimony. The pastor, the Rev. Peter J. Schnetzer, officiated at the ceremony and was also the celebrant of the Nuptial Mass.

The bride was escorted to the altar by her uncle, Mr. Herman Kaliskie. Mr. Julius Meebler and Miss Meta Haass, and Mr. John Kaliskie and Miss Gertrude Rilling were the bridal attendants.

Following the ceremony a wedding breakfast was served at the home of the bridegroom's parents, 101 Piedmont Avenue.

The newly-wed couple are occupying their new home on Baylor Ave.

District Deputy's Visit.

District Deputy Henry J. Menger, of San Antonio, visited Hondo Sunday, November 16, and addressed a meeting of the K. of C. of Medina County, following the 9:30 Mass. Twenty-nine signatures for a new council to be instituted at Hondo were secured and assurances given that a council of not less than 75 members could be easily organized there. John Finger was elected temporary chairman, Walter Albrecht temporary secretary and Ed. Ney temporary treasurer.

District Attorney L. J. Brucks retires from that position when the present circuit of the 38th District Court comes to an end this term. For several terms Louis J. Brucks has served efficiently as our district attorney. He surrendered the office to enter the race for District Judge against our beloved and efficient Judge, Hon. R. H. Burney, but could not poll enough votes to defeat that popular and scholarly gentleman. Friends all over the district regret the retirement to private life of Judge Brucks. His place as district attorney will be taken and ably filled by Hon. C. W. Baker of Kerrville, who will assume office the first of the year.—Bandera New Era.

MORE WILDCATS SCHEDULED FOR MEDINA COUNTY.

Floto and associates who have held a block of acreage north of the Southern Pacific Railroad tracks in Medina County and just northwest from D'Hanis have taken leases on surveys 848, 849 and 851 southwest of D'Hanis six or seven miles and will spud in a well by December 15.

The well will be in the northwest corner of survey 849 and is on a tract of land owned in fee by Saathoff. It is understood that the block of leases was secured from R. J. Rand who is now putting down a test on survey 847, northeast of the Floto test. The Floto test will be made by the D'Hanis Oil & Gas Company.

Empire Gas and Fuel Company has lately taken a lease on a block of nearly 2,500 acres which includes surveys 871, 872 and 873, which is south of the Floto block, survey 871 adjoining survey 851 on the south. Survey 853, just east of survey 871, has been leased by the Rio Grande Oil Company which has also leased surveys 476 and 478 of the Wm. F. Ritchie survey a couple of miles or more to the east.

Mid-Kansas has recently leased a little over 750 acres out of the center of Juan Casanova survey No. 740, two or three miles due south of D'Hanis.

Amy Oil Company set casing at 1,850 recently and has drilled to 2,030 where the drill is working in blue sandy shale and are waiting now on 3-inch drill stem. The Navarro was topped at 1,620 and there was a showing of gas encountered at 1,900 and the well is said to be looking very good for production in the formation that corresponds to the producing horizon in Somerset. The well is located south of Devine in Medina County.—Wednesday's Express.

THE PRESBYTERIANS.

Presbyterians in Medina County are very much interested in Church-Wide Program for Sunday December 14th at which time a cash offering will be taken according to the plan of the General Assembly of the Presbyterian Church in every Presbyterian Church in the South, for additional and improved equipment in the Home and Foreign Mission Fields.

The plan adopted this year is for each congregation to be asked to contribute to a designated object and D'Hanis Church, D'Hanis has been asked to accept in connection with this Equipment Fund the following causes: Foreign Mission Fields, Seoul Christian Literature Society in Korea, Home Mission Fields, New Churches in Texas.

The Equipment Fund is set up by the General Assembly of the Presbyterian Church in the United States to cover a ten year period and the plan is to raise \$500,000 per year. Other Presbyterian Churches in the different counties have also been requested to accept appropriate causes.

The Young Peoples' or Christian Endeavor Societies in all of the Presbyterian Churches are asked to accept as their own particular causes: For Foreign Missions, Girl's School, Kwangju, Korea; For Home Missions, Beechwood Seminary, Heidelberg, Ky.

The Presbyterians in this County have shown a co-operative spirit in the great Program set up by the General Assembly's Committees of the Presbyterian Church, and their participation in this Equipment Fund will doubtless be in keeping with their reputation along these lines.
